

## Rambam Record Behar-Bechukotai

### Lag B'Omer Paintball and Grant Park Trip!

This past Thursday, Rambam students had a chance to go Paintballing or play ball all day at Grant Park on the school's Annual Lag B'Omer trip! The day began with learning and then saw the boys board the buses to have a blast! Over 65 boys participated in Paintball under the guidance of Aaron Friedman and Sruli Schnair, while the rest of the school played softball, Frisbee, basketball, tennis, and football at Grant Park! It was a great day of bonding, sports, and fun!

### **2nd Annual 3-on-3 Hockey Tournament is Epic!**

Thanks to Daniel Yizhaky, Noah Schwartz, Josh Geliebtor, Zach Finkelman and everyone who reffed, Rambam's 2nd Annual 3-on-3 Hockey Tournament was bigger and better than ever! With 12 teams and 5 goalies vying for the top spots, the night had amazing stick-handling, powerful slap shots, and featured two overtime shoot-outs. In the final game, it was, brother versus brother as freshman Jonathan Yizhaky sought to prove that the student can become the master and outplay his older sibling. In the end, everyone played well but it was team Daniel Yizhaky, with Jacob Linder and Elisha Bauman winning it all. Daniel was named MVP while Benjy Aryeh won Best Goalie. Special thank you to Mr. Goldman and Aaron Friedman for all their help in coordinating the tournament.

### **Big Win at Model UN**
